

# Jorge López Puebla

## Software Developer

lopezpueblajorge@gmail.com

+34 622 673 991 Madrid

### About me

Curious by nature, I took my first steps in the world of programming when I was just 11 years old. Since then, I have always stood out for my commitment and dedication, always looking to exceed the expectations of the projects I am part of.

I am determined to use my skills and knowledge to contribute to the success of the company, providing innovative solutions while developing myself professionally and acquiring new skills.
